PROFILE

A dedicated SEO Content Writer passionate about creating high-quality, user-focused content that drives organic growth. Looking to contribute my SEO and content marketing skills to a growth-oriented organization while continuing to develop as a digital marketing professional.

EXPERIENCE

G2G Technologies – Tirunelveli | July 2024 – July 2025

- Created SEO blogs, website content, and social media content for multiple client projects across different industries.
- Built and managed WordPress websites with SEO-friendly structure and optimized content placement.
- Performed keyword research, on-page SEO optimization, and backlink content creation to improve search rankings.
- Managed Meta Ads campaigns and wrote ad copies, video scripts, and promotional content for digital marketing activities.

Sihi Heritage Soil Industries Pvt. Ltd. – Chennai | September 2025 – September 2026

- Developed SEO-focused website content, product descriptions, and blogs to strengthen organic visibility and brand presence.
- Created AEO and GEO-focused content, securing Google AI Overview visibility for blog articles and improving visibility across AI-generated search results.
- Managed social media content, including visual content, poster editing, ad copy, and video scripts to support digital marketing campaigns.
